Pursuant to Texas House Bill 20 (HB20), as enacted by the 84th Legislature, each MPO shall develop a 10-year transportation plan for use of the funding allocated to the region. Staff provide this opportunity to update the TPC on the background of HB 20, implications for the MPO, and next steps.

### **B. Prioritization of Category 2 (Metropolitan and Urban Area Corridor) and Category 4 (Statewide Connectivity Corridor) Projects**

Staff present this opportunity to introduce TPC members to the prioritization process underway among MPO and TxDOT-CRP District staff and the MPO Technical Advisory Committee (TAC). The results of this process will be the subject of more detailed discussion and possible action at future TPC meetings.

## **5. Discussion and Possible Action**

### **A. Title VI Policy Statement**

As a recipient of federal financial assistance and under Title VI of the Civil Rights Act of 1964, staff is requesting ratification of the **Title VI Policy Statement** to clarify the organization's commitment to nondiscrimination.

### **B. Proposed Prop 1 Project**

On Nov. 4, 2014, Texas voters overwhelmingly approved the ballot measure known as Proposition 1 (Prop 1), authorizing a constitutional amendment for transportation funding wherein a portion of oil and gas tax revenues that typically go into the Economic Stabilization Fund will be deposited to the State Highway Fund. By way of previous discussion and action, the TPC identified the US 181 overpass at Kay Bailey Hutchison Rd. as the priority for FY16 and FY17 Prop 1 funds. MPO staff present this opportunity to update the TPC on the status of that project and the pathway toward implementation. Based on a recommendation by the TAC, staff is seeking action by the TPC in the form of a directive for the MPO Transportation Planning Director to prepare a written request, on behalf of the TPC, to TxDOT that aggregated FY2016-2017 Prop 1 funds be moved and secured for use in FY2018.
