A. Proposed amendment to the FY 2018 UPWP

Staff presents the proposed amendment to the FY 2018 UPWP to reflect the MPO's Federal Highway Administration (FHWA) Resilience and Durability to Extreme Weather grant award to support design of a nature-based shoreline protection feature for deployment along Laguna Shores Road. The UPWP describes transportation planning priorities and related activities to be performed during the year by the MPO and partner entities and identifies who will perform the work, the schedule for completing it, and the expected products.

Per Technical Advisory Committee (TAC) recommendation, staff is seeking TPC action in the form of approval of the proposed amendment to the FY 2018 UPWP.

B. Proposed FY 2019-2020 UPWP

Staff presents the proposed FY 2019-2020 UPWP. The UPWP describes transportation planning priorities and related activities to be performed during the year by the MPO and partner entities and identifies who will perform the work, the schedule for completing it, and the expected products. It also serves as the operating budget for the MPO. The process for developing the UPWP includes addressing federally mandated planning factors as well as prioritizing planning emphasis areas identified by FHWA and Federal Transit Administration (FTA).

Per Technical Advisory Committee (TAC) recommendation, staff is seeking TPC action in the form of approval of the proposed FY 2019-2020 UPWP.
