CHAPTER I

METROPOLITAN PLANNING ORGANIZATION OVERVIEW

Corpus Christi MPO Development History

The Corpus Christi Metropolitan Planning Organization (MPO) requires involvement of policy makers, technical staff, and the citizens to address various facets of the transportation planning process. The geographic extent of the MPO is shown on the Corpus Christi Metropolitan Study Area map.

In July 1973, the State of Texas, the Cities of Corpus Christi and Portland, and Counties of Nueces and San Patricio agreed to participate in a continuing, comprehensive, and cooperative transportation planning process for the Corpus Christi Urban Transportation Study Area. The 1973 and subsequent agreements established the two-committee organization pursuant to Section 134 of Chapter 1 of Title 23 U.S.C. for the Corpus Christi Metropolitan Planning Organization (MPO). Since its establishment, the City of Corpus Christi performed the administrative functions of the MPO. In 1988, the Governor of Texas designated the City of Corpus Christi as the Metropolitan Planning Organization (MPO) to develop the transportation planning process with the guidance from the committee structure established pursuant to Section 134 of Chapter 1 of Title 23 U.S.C.

In April 2000, the Transportation Policy Committee adopted a resolution to change the MPO designation from the City of Corpus Christi to the Transportation Policy Committee. On June 28, 2000, an agreement was signed by the State of Texas and the elected officials of the cities and counties on the Transportation Policy Committee redesignating the Transportation Policy Committee as the MPO for the Corpus Christi Metropolitan Planning Area. The Transportation Policy Committee composed of four elected officials and three appointed officials, is the policy making governing body and provides a forum for cooperative decision-making for the transportation planning process.

The Transportation Planning activities of the MPO are concentrated in the Urbanized Areas of Nueces and San Patricio Counties. This area is also known as the Corpus Christi Metropolitan Area. The Corpus Christi Metropolitan Area encompasses more than 190 square miles. Based on the 2020 Census, almost the entire population of the MPO area resides within the incorporated limits of the cities of Corpus Christi, Gregory, and Portland.

The two-committee organizational structure of the Corpus Christi Metropolitan Planning Organizations consists of the Transportation Policy Committee and the Technical Advisory Committee.

Participants

As of January 2025, the public jurisdictions that are included in the MPO Planning/study area include the City of Corpus Christi, the City of Portland, the City of Gregory, Nueces County, and San Patricio County as well as the Corpus Christi Regional Transportation Authority, the Port Authority of Corpus Christi and the Texas Department of Transportation-Corpus Christi District.

The majority of the technical and administrative activities of the Corpus Christi MPO are accomplished by the professional staff. Technical support services are performed by the Planning and Programming Division of the Texas Department of Transportation (TxDOT).

Coordination of the MPO activities is provided by the Corpus Christi District of the Texas Department of Transportation by virtue of representation on the Technical Advisory Committee and the Transportation Policy Committee.

The Corpus Christi Regional Transportation Authority (CCRTA) provides public transportation service for a major portion of the metropolitan area. The CCRTA participates in the transportation planning process by representation on the Technical Advisory and the Transportation Policy Committees. The Port of Corpus Christi Authority is also represented on both committees.
