4. DISCUSSION AND POSSIBLE ACTION ITEMS

A. TXDOT 2027 UNIFIED TRANSPORTATION PROGRAM (UTP) CALL FOR PROJECTS

Mr. MacDonald presented this item.

The TxDOT-CRP District and the Corpus Christi MPO update the 10-year list of projects for the Unified Transportation Program (UTP) each year. Despite its importance to TxDOT as a planning and programming tool, the statewide UTP is neither a budget nor a guarantee that projects will or can be built. However, it is a critical tool in guiding transportation project development within the long-term planning context. On October 11, 2025, TxDOT announced the call-for-projects for the 2027 UTP development process. The TxDOT 2027 UTP Schedule was provided to TPC members for review. The first key date in the schedule is December 5, 2025, where TxDOT Districts submit initial UTP program via TxDOTCONNECT, with requested funding amounts for Categories 2, 4U, and SWDA.

Discussion:

None.

Motion:

Mayor Skurow made a motion to approve the list of projects for submission to the TxDOT DRAFT 2027 Unified Transportation Program process.

Judge Scott seconded; the motion passed unanimously.

B. SAFETY (PM1) PERFORMANCE MEASURES AND TARGETS

Mr. MacDonald presented this item.

MPOs have two options when setting targets for each of the performance measures:

- 1) Establish our own Corpus Christi MPO numerical targets for each of the performance measures, or
- 2) formally agree to support the TxDOT targets

For the past several years the Corpus Christi MPO has supported the TxDOT performance measures and targets adopted by TxDOT. By supporting the TxDOT targets, the Corpus Christi MPO agrees to plan and program projects which contribute to achieving the TxDOT state targets and to report regional performance.

The Corpus Christi MPO presented the information and received a recommendation from the TAC to the Transportation Policy Committee (TPC) to adopt all the TxDOT state targets for Safety (PM1) Performance Measures.

[Discussion:](#)

None.

[Motion:](#)

Judge Scott made a motion to approve Resolution 26-01 supporting the Texas Department of Transportation (TxDOT) Safety (PM1) Performance Measures and Targets as presented.

Mayor Skurow seconded; the motion passed unanimously.
